

Netsol enters ME market

OUR STAFF REPORTER

LAHORE - After winning the confidence of leasing and finance industry in the Asia Pacific region, NetSol Technologies Ltd, a multinational provider of IT services and enterprise software to the financial services industry, has now marked another success story in the Middle East market.

According to an announcement made today by the Netsol Technologies Ltd, its Asia Pacific division has signed a multi-million dollar agreement with one of the largest leasing companies in Saudi Arabia to sell its software LeaseSoft, an end to end solution for the leasing and finance industry.
